

SPEAKER BIOGRAPHY

Brenda Davis, LOT, CCM

Chief Therapy Officer

[NeuroCare Outpatient Rehab](#)

Brenda Davis has over 25 years of experience in neurological recovery and rehabilitation in a senior leadership role. Her experience encompasses a wide spectrum of services in the continuum of care in the acute, post-acute, skilled nursing, outpatient, and return to work arenas. As a Licensed Occupational Therapist, Certified Case Manager, and previous CARF surveyor, Ms. Davis understands the challenges that this population can present. With this special skill set, she has had the unique opportunity to be able to observe and absorb many different treatment approaches and implement those into applicable standards of care. She has frequently shared her knowledge and expertise as professional speaker to various audiences on healthcare and brain Injury topics. She is committed to providing excellent patient/family experiences, superior customer service, thinking outside the box, and developing treatment teams that are forward thinking and flexible in their treatment approaches to neurological recovery.
